

APPLICATION
CONTRACTOR/CONSTRUCTION
PARKING PERMIT
Permits Lasting up to 14 Days

In accordance with Bloomington Municipal Code Section 15.32.180 the Planning & Transportation Department *may* issue any person or business who, in the ordinary course of trade or business, is engaged in the construction, reconstruction, remodeling, servicing, maintenance or repair of buildings or other structures a Contractor/Construction Parking Permit. *A separate permit shall be required for each parking space needed for any vehicle, equipment, or staging used during the construction, reconstruction, remodeling, servicing, maintenance or repair of a building or structure.*

The Planning & Transportation Department reserves the right to deny any applicant a Contractor/Construction Parking Permit if the applicant has any unpaid parking citations issued by the City of Bloomington, Indiana.

The cost for a Contractor/Construction Parking Permit shall be the hourly parking rate per vehicle parking space for each hour reserved by the permit. An additional \$5.00 administrative fee shall be levied at the issuance of the Contractor/Construction Permit to offset the cost of implementing, enforcing, and administering the provisions of this section.
